

MUSTANG

CLUB OF TAMPA

MCT's PONY EXPRESS

September 1st, 2022 Edition

FROM THE CLUB PRESIDENT – Bob Turner

Dear Club Members – The kids are back to school, and cruises and car shows are ratcheting up once again. The board of directors has been busy getting the next few months organized, particularly the 41st Annual Mustang and Ford Roundup. We will be holding it once again at the Northpointe Village location, sponsors and other community groups are joining us once again, and we are working on getting some family-minded activities so spectators and participants alike can bring bring the kids and they will have a fun time as well. Registration is open on www.mustangcluboftampa.com. Hot on the heels of our show will be Mason Dixon's Annual Christmas Wish Foundation Car Show at Wiregrass Mall. We are working on some unique trophies for both shows.

Mark Morley will go into greater detail later in this issue, but I want to highlight the fast-approaching Lake Mirror Classic Concours & Car Show. Registration cost **increases by \$20 on September 1st and closes on September 15th** . There are many steps to register, so do not delay if you are interested in joining in the show. It is one of the best around and draws in some of the finest cars in the southeast, if not nationally.

Bill Currie Ford has moved on to another phase of their construction, so we will be steering clear of their location for now. Things are moving along well there; the transformation will be very dramatic.

Lastly – our club get-together (at the Carrollwood Glory Days Grill) for September 27th will feature a guest speaker many of you may know – Dave Bowman. Dave and his co-host Sam Memollo pioneered shows like Shade Tree Mechanic, Two Guys Garage, Crank and Chrome, and others. It should be an interesting discussion. Hope to see you there. – BT.

MCT Judging Team

Come join the team. Learn what judges look for, how to better prepare your car, and help us at a future show. No technical knowledge is required because our judging is only based upon condition, cleanliness and workmanship.

The MCT Judging Team has members from beginner to Sr. Judges with many years of experience. Those learning are teamed with a senior judge.

This fall we will hold a judging clinic. Date and time TBD. The clinic will be an introduction to the process for those that want to learn, and a refresher for current judges. We will review our written guidelines and then look at a couple of cars to see how experienced judges would critique them.

This is a good time to learn as there are three shows we will be judging so it's a good time to come out and work with us to gain actual experience.

If you are interested in learning the process let us know. As stated, we will soon be announcing a date to do the Clinic and meeting. If you would like to review the process, I would be happy to provide you a copy of our judging instructions now for you to review. Just drop me an email. Or if you have questions give me a call.

Mark Morley - email: mytang66@yahoo.com ph: 813 417-2483

Blue Oval History

What do you see in the picture?

Note the door handle upper left, and part of the fender lower right. This is my reflection in the side of a 1936 stainless steel Ford.

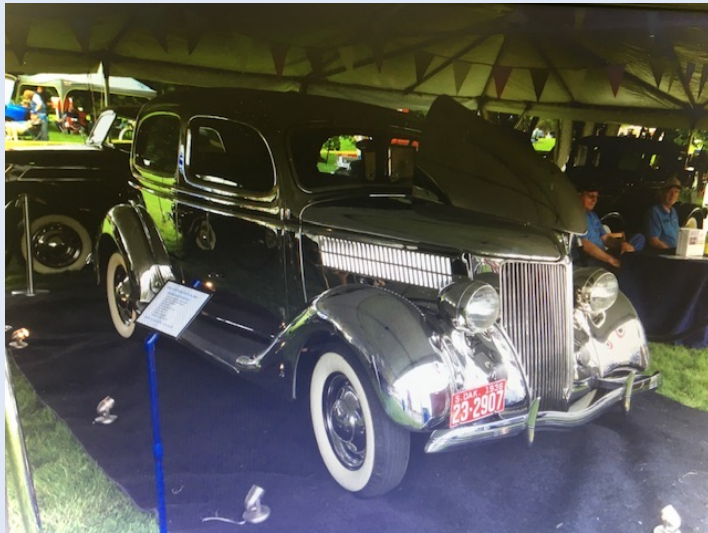

Long before the DeLorean, Ford made a small number of stainless steel cars.

See next page for the story

Blue Oval History – Cont. from previous page

Allegheny Ludlum Steel, an early producer of stainless steel, had Ford build 6 of these 1936 Deluxe Sedans with stainless steel bodies. The cars were driven for several years and over 200,000 miles by company officials and salesmen. The bodies held up well, unlike the normal steel undercarriage and parts. The cars were built at the end of 1936 production because the stamping dies were ruined by the hardness of this metal.

Later, Allegheny Ludlum had Ford build two 1960 Thunderbirds that again used for promotional purposes. This car also had the first stainless steel muffler, and they are still on the cars today.

In 1967 the last of the stainless steel, Fords, three Lincoln Continentals were built for Allegheny Ludlum Steel.

Photographs of the 1936 Fords were taken by myself several years ago at the Arthritis Auto Show in Dublin, Ohio. When this '36 was restored, it was buffed to a high gloss, unlike the satin of the originals. Pictures and info on the Thunderbird and Lincoln were from website, secondchancegarage.com.

I would like to continue this Blue Oval History as a regular feature in our newsletter. If you have comments or topics to suggest, contact Mark Morley by email mytang66@yahoo.com

Lake Mirror Classic Concours & Car Show *Lakeland, Fl Oct. 14-16, Fri- Sun* **Mustangs Too!**

The Lake Mirror Classic Concours & Car Show is the finest car show in this part of the state. Founded over 20 years ago by Ford Heacock of Heacock Insurance, the show features a Concours de'Elegance section with some of the most beautiful classic you will see outside of a museum. Additionally, this is an open car show of all makes and models on the downtown streets of Lakeland. The setting around the picturesque Lake Mirror and the downtown streets is fabulous.

As part of the open car show there is a Mustang Show within the show where Mustangs of all years are welcome and will be judged. This portion of the show is hosted by our sister club, Imperial Mustangs of Polk County Years.

MCT will work with the Imperial club to assist in anyway they may need us to help, but mainly in judging. This is a great place to work with us to gain some experience judging.

MCT will organize a caravan to this show. Details to follow by email.

**REGISTER BEFORE 9/15/22. THIS IS A LARGE SHOW AND
PREREGISTRATION IS REQUIRED**

**TO LEARN MORE ABOUT THE SHOW AND PREREGISTER GO TO
WWW.LAKEMIRRORCARSHOW.COM**

2022 Charity Update:

A lot of opportunity this year, we have a few things in the works already. More information will be shared as it develops. What we have so far:

Celebrate Birthdays – Bus has been delivered! Going through safety check at Bill Currie Ford. They need a **wrap, some mechanical work, and an interior** make over. If you have a connections in any of those trades, please let us know. Any donated materials, time, dollars, talent, etc...is appreciated and might be worthy of a logo on the side of the bus on their new wrap. Email me at president@mustangcluboftampa.com if you can help in any way. We'll be following their progress on Facebook and Instagram (**@mctprez**). Check them out at www.celebratebirthdays.org for more details.

Shelby Foundation – We will support their March 2023 For the Love of Shelby Show at Lead Foot City. This all Shelby, Mustang and Ford Show includes a Friday night cruise in with food and music, followed by a Saturday Car Show with expanded classes and more trophies. Save the dates of March 24th and 25th.

Metropolitan Ministries: We will do another food drive at our 41st Annual MCT Roundup. One food item will get you one raffle ticket. We aim to gather 1 Ton of food.

1Voice Foundation – Selected as our charity for the 41st Annual MCT Roundup.

Wesley Chapel High School Auto Academy – On hold due to leadership changes at the auto academy. Once they have a new lead in place, we will resume activities.

GILLIS PERFORMANCE RESTORATIONS

The Rusty Report

Brian has been busy building a 1965 Fastback for Bob. Before any sheet metal is attached, he makes sure the jig is level.

Now that Brian finished the inner structure it is time to start lining up the sheet metal. At this point he attaches it with sheet metal screws.

Brian does a lot of measuring and checking to make sure everything is level while it is screwed or clamped in place.

The Rusty Report

The taillight panel is test fit and Brian makes sure the top of the quarter panels are level.

The deck lid and quarter panel end caps are lined up and he makes sure the taillights fit.

Welding the taillight panel in place

The Rusty Report

Quarter panel plug welded along with the deck lid filler panel.

Brian welding the driver's side.

The Rusty Report

Brian test fit the doors and fenders and found out the gaps were off. To correct the problem he welds material on the fender or door and then grinds it down until he is satisfied with the gap.

Now it is starting to look like a 1965 Fastback Mustang.

New Members

We have several new members to welcome:

Bryce Duggan	1969 Mustang Mach 1
Paul & Tiffany Weaver	1969 Mustang Mach 1
Ryan Dush	2015 Mustang GT500
Steve Johnson	2018 Mustang GT350

We have many activities, and we encourage you to attend. This is a social group of people who enjoy the common interest in the car, and the friendships that develop. The club is about the Mustang, but the people make up this organization and are the reason for 40 plus years of success.

MCT Officers and Directors

Your MCT leaders are listed below:

Bob Turner, President
Frank Cossota, Executive VP
Rusty Gillis, Treasurer
Steve Osborne, Membership Dir.
Harold Champion, MCA Reg Rep
Margaret Schaub, Secretary
Mark Morley, Newsletter
Scott Englert, Webmaster

Directors:

Brandon Pacifica
Jim Carroll
Lucy Carroll
Margaret Flesche
Russ "Doc" Hostetler
Kevin Riley
Cat LaMunyan

Officers have specific positions as outlined in our bylaws and are part of the Board of Directors. Other Directors may have specific responsibilities, and all share various duties as needed. The Board conducts the business of the club and meets every other month. These meetings are open to all members of MCT that wish to attend. **Next BOD meeting is at Glory Days Grill, 6:00pm, on the 13th of September.**
